

# USYCA SCHOOL PROGRAM

## FREE STARTER CRICKET SET

---

---

Growing Cricket in Schools is one of the primary areas of Focus for USYCA. Children hold the future of Cricket in United States and school PE Teachers have a strong role to play in building a strong foundation of the game at grass root level.

USYCA will provide a free starter set for any schools who are willing to set up a minimum 6 weeks Introductory Cricket Program at their premises (School Gym, Play Ground).

If you are interested, please send the below information to [email@usyca.org](mailto:email@usyca.org) and an USYCA Associate will get back to you.

Your Name:

Your School Name:

Your School Address:

Details of your Cricket Program:

USYCA will also provide you guidance and training and any other support needed, to give the children at your school the best possible opportunity to experience the game of Cricket.

Please visit [www.usyca.org](http://www.usyca.org) for more details.

**Youth Cricket:**  
*It's what we do.*
